| _____)                         |   |                           |

The Court having reviewed the records and files herein and having considered defendant Crittendon's motion to continue pretrial motions due date and trial date makes the following findings and enters the following order:

1. Additional time is necessary for the parties to prepare for trial.
2. The ends of justice outweigh the best interests of the public and the defendant in a speedy trial.

The failure to grant a continuance based upon the parties need to prepare the matter for trial would result in a miscarriage of justice.

3. The defendant will sign and file a written waiver of speedy trial through February 28, 2006.

IT IS HEREBY ORDERED that

1. The pretrial motions due date is continued from October 18, 2005, until December 6, 2005.
2. Responses to pretrial motions shall be due on December 20, 2005.
